## **The Hill Communications Group, Inc. E. Christopher Hill Ministries International Technical Ryder**

1. Chris Hill Ministries request that no “home-made” video or audio recording of Pastor Chris Hill be permitted during the session(s) except by the host church. This should be announced, by the host, prior to Pastor Hill speaking.
2. In the event of press or media coverage, Chris Hill Ministries request that interviews with Pastor Hill be scheduled on the day of the session, prior to Pastor Hill speaking.
3. When there is an elaborate or extensive set design, Chris Hill Ministries request that Pastor Hill or one of our ministry associates be given a brief opportunity to do a "walk through", at least 30 minutes prior to the start of the session, to evaluate any sound, lighting or blocking challenges that an elaborate stage design might present to Pastor Hill as he is speaking.
4. Chris Hill Ministries request that copies of the audio or video taped session(s) be either given to Pastor Hill upon the completion of the event or mailed to our Ministry Offices as soon as possible.
